

Village Survey: How to Complete the Survey

First of all, thank you for taking part in this project which is so important to our future.

The questionnaire is designed to find out what you think about what where you live and how important that is to you. Your answers will enable us as a community to understand where best to focus resources and what we need to do to take control of our destiny. We will set out the results in public village meetings, the August Parish Council meeting and to individual interest groups and organisations. The results will be a source of data for future projects and will also be used to help the Parish Council make well informed decisions.

There are 10 questions and they take about 15 minutes to answer. All answers are anonymous - it is not possible to identify an individual from an answer. The questions are in random order and no question (or answer!) is more or less important than any other.

Completing the questionnaire

1. We want to know what you think, not what you think the village thinks. We don't want answers that are guesses!
2. There are two columns for every question. The left-hand column asks "How good is...". The right-hand column asks "How important is..." For example, is the school good? Then, is it important to have a school here?
3. The scale is 1-4 and you must choose one box. For the "How good is?" questions, the scale is from 1 "Not good at all" to 4 "Very good indeed". For the "How important is?" questions, the scale is from 1 "Not at all important" to 4 "Vital".
4. Please complete all the boxes. Do not sign or mark the form in any way that might tell us who filled it out.
5. When you have finished, please return the completed questionnaire to the shop or to the pub, where they will be collected every day. If you prefer, you can also deliver direct to Sally Calverley at Ingleby, Combe Lane, East Harptree.
6. If you have any questions, please call Sally on 07545395282 or 01761 221188 or email on sallycalverley@icloud.com
